Catholic School for Girls, Years 7 to 13

Term 4 - Number 3  
Friday, 4th November 2022

## From the Year 13 Dean

It has been my privilege to have been the Dean for the Class of 2022 for the past five years. Who would have thought those years would have included lockdowns, having to wear masks and the cancelling of many important school events. We had some good times though. Camps and trips, Marist Days, and Balls to name a few. The one to remember (for various reasons) was the Year 9 Pilgrimage to the Hokianga and Waitangi.

Credit must be given to Grace, our Head Girl and her Deputies, Tia, Ata-Marie and Kalshika. Everything was organised down to a T (Tia), which made my life easier. Thank you to those who took on a leadership role this year. Whether you had a badge or not, thank you for the time and effort you put into making Marist College a better place. It doesn't matter whether you are going to get a prize at prize giving or not. You are all winners – you all have gifts and talents – some in the academic or sporting fields and others, which are just as important, like caring and sharing.

Our aim is for everyone to gain Level 3 and University Entrance. At least 25 of you already have UE which is tremendous. Some of your marks have been amazing. A handful of you only have excellence credits this year and this is hard to do.

Parents - thank you for your contribution to Marist - we really appreciate the time and effort you have put into helping us these past few years. For some of you it is the end of an era. You don't have any more daughters to come through the school. Maybe your granddaughters will come to Marist. I hope that mine does.

As Year 13 students you showed me that you have all developed into young woman with so much potential. I am excited about your future. I wonder where you will be in five or ten years' time and where your pathway may lead you.

Your training is over – we are passing the torch on to you to carry forth into the future. Please keep yourselves safe, do not get yourself into tricky situations which could be avoided. Life is not a dress rehearsal - you can't go back and change your past, but you can improve your future. Be true to yourself and to God

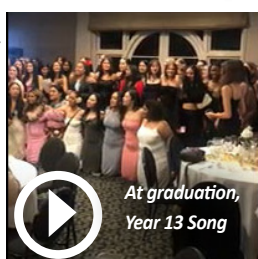

I leave you with a verse to finish:

*Don't let anyone think less of you  
because you are young.*

*Be an example to all believers in what  
you say, in the way you live, in your  
love, your faith, and your purity.*

1 Timothy 4:12

Mrs Judi Leman, Year 13 Dean

# All Saints' Day

We celebrated the Solemnity of All Saints' on the first of November earlier this week.

There is a long history around this feast day and what we have learned is that these men and women were recognised by the Church as models of love who tried hard to follow the teaching of the Beatitudes in their day-to-day lives. Jesus calls us to do the same – help us to see and admire the saintly qualities in others!

All Souls' Day follows on 2 November, a day we commemorate all the faithful departed. God bless all those in our community who grieve for loved ones at this time.

Arohanui,

*Mrs Katherine McGillivray*

Assistant Principal/DRS

## All Saints Day

God we are surrounded by a cloud,  
Faithful witnesses who have gone before.  
Those who have loved  
where we would have hated.  
Those who have healed  
where we would have hurt.  
Those who have spoken out  
when we remained silent.  
God may we walk in their footsteps,  
Learning courage from their sacrifice,  
Gaining strength from their faithfulness.  
May we learn to give  
so that others may receive.  
May we learn to love  
so that others may be set free.  
May we learn to die to self  
so that others might live.  
God may we join that cloud of faithful  
witnesses,  
Treading paths of loving obedience,  
Leaving footprints for others to walk in.  
God may we too lead kingdom lives,  
And walk into your ways.  
Amen.

## Senior Digital Technology

The senior digital technology students have been hard at work submitting their NCEA projects and portfolios for the end of the year. Not all the student work is purely technical, and some students have also been exploring the more creative possibilities of digital media.

Examples linked below are of Maddy Low in Year 11 who produced her own digital audio for a cover of Green Day song, with an accompanying music video which she also filmed and edited.

Lucy de Young created her own fully animated video with accompanying soundtrack.

## Final Open Mic

We farewelled our senior students with a final Open Mic for 2022 on Friday 28 Oct. There was a record number of sign ups and fantastic performances of live music. The senior music class surprised Mrs Nicklin-Crone by revealing they had been secretly composing a set of lullabies for her baby, due in December, and performed one as a beautiful surprise ( Sleep sleep.mp4).

Well done especially to our junior students who performed, there is so much exciting talent coming through our college in the years to come.

## Homestay Families Needed in 2023

We are looking forward to international students coming back to Marist College next year from Term 1 and they will need somewhere to live!

We have some long-term students as well as those who are coming for a couple of weeks and some who will be here for one term at a time.

If you're interested in hosting an international student or two or would like to know what's involved, please contact Vivienne, International Student Director on [international@maristcollege.school.nz](mailto:international@maristcollege.school.nz)
