

Instructions for accessing NCEA results and exam papers online

Good luck to all our senior students who are sitting their NCEA Examinations. NZQA provide a range of resources to support you with your external examinations – **please check out the student assessment hub on NZQA below:**

<https://www2.nzqa.govt.nz/ncea/student-assessment-hub/>

From around the 20th January your examination results will be available via the NZQA website. **For information on how to access these results follow the link below:**

<https://www2.nzqa.govt.nz/ncea/student-assessment-hub/ncea-results/guide-to-online-results/>

This link includes an explanation of how to access specific detail about each external standard you sat, including a breakdown of scores by question, total score, your final result and number of credits. You may see different information and options depending on the standard.

Examination scripts are no longer returned physically to students but are scanned and uploaded to your NZQA portal. It is important that you review your scanned and returned scripts online when you receive your results in January in case you would like to request a review or reconsideration of your grade.

Further information regarding requesting a review or reconsideration can be found here:

<https://www2.nzqa.govt.nz/ncea/student-assessment-hub/ncea-results/reviews-and-reconsiderations/>

If you need any help accessing your results next year please contact your Academic Dean or Dr Houliston.

Good luck!
