*“Marist girls become Marist women who have a sense of purpose and are successful in their own right.”*

*Mrs Raechelle Taulu, Principal*

Marist College, founded in 1928 by the Marist Sisters, is a Catholic Secondary School for girls situated in Mt Albert, in central Auckland. As a faith-based school, we deliver a curriculum that is built on core values that challenge our young women to live and act as Mary, the Mother of Jesus, would in today’s world. International Students of all nationalities are warmly welcomed and do not need to be of a Christian faith to attend Marist College. Marist women will graduate well qualified, values-driven, competitive, nurturing, community leaders who have a sense of purpose and a sense of belonging.

### Marist College Special Character

The Marist tradition of education originated in France in the early 19th century. The Marist Sisters arrived in New Zealand and established a school in Mt Albert in 1928. The co-founders of the Marist Sisters are Jeanne-Marie Chavoïn and Jean-Claude Colin. The College values its traditions and its continued links with the Marist Sisters.

Pastoral Care at Marist College is underpinned by our Catholic Character and Marist Charism. Students are at the centre of all that we do. We aim to know students personally in order that they fulfill their true potential in all areas: striving to become the people God wants them to be.

Families can be made up with different sizes and locations. Some families will have students at Marist College or will have done so previously. We will match families with students as much as we can as there are also dietary or other requests as “can I live in a home with a dog please”! You will have your own bedroom with storage and a study desk and three meals a day, plus snacks.

### Learning Outside the Classroom

During the year, there are activities that happen away from school which are exciting, challenging, rewarding and fun! Some of these are localized to the school grounds and Auckland and some involve travelling to nearby places. These real-life activities will teach you confidence, self-esteem and leadership skills while establishing networking opportunities and building and maintaining your whanau group. The International Office also organizes trips away from school which students are invited to join.
