

MARIST COLLEGE

Catholic School for Girls, Years 7 to 13

Term 2 - Number 6
Friday 6th June 2025

From the Principal

The Importance of Attendance at Marist College

Attendance is a cornerstone of student achievement. Regular school attendance is vital not only for academic success but also for emotional and social development. At Marist College, attendance is closely monitored by whānau teachers, deans, the senior leadership team, and administration staff. Over the past three years, our attendance rates have steadily improved, returning to pre-COVID levels. This progress reflects the strong partnerships we've built with families to ensure our young women are present and engaged in their learning.

Why is Regular Attendance So Important?

Attendance has a profound impact on school culture. With strong attendance rates this year, there's a noticeable, positive energy throughout the school. Marist is alive with activity, students arrive early for tutorials and sports training, school vans are constantly in use for trips and learning outside the classroom, and after-school winter sports are in full swing. Regular attendance helps students build strong peer relationships, fosters trust, and contributes to a more connected and supportive school environment.

Choosing What's Right Over What's Easy

While there are always valid reasons for student absences and we are committed to supporting families when these arise, there are still some students who choose not to attend regularly. Common reasons include last-minute assessment preparation, avoiding certain school events, or simply feeling tired and staying home. As a parent, I understand how real these challenges can be. However, I also know that setting clear expectations and boundaries early on helps establish a routine of regular attendance that benefits students in the long run.

How You Can Support Us

We ask that parents and caregivers continue to support regular attendance by:

- Encouraging your daughter to attend school every day, unless they are genuinely unwell.
- Communicating with the school if your daughter is absent and providing a genuine reason.
- Helping your daughter establish good routines around sleep, homework, and preparation for the school day.
- Reinforcing the importance of commitment, resilience, and participation in all aspects of school life.

*"To teach children you must first love them,
and love them all equally,"*

St Marcellin Champagnat. Feast Day, 6th June.

- Thank you to the Performing Arts Department for organising Wednesday night's showcase.
- Thank you to the staff who volunteer at Co-Lab each week, supporting our students with homework and assessments.

Te Aroha o Te Atua

Raechele Tauili, Principal/Tumuaki

Pentecost Sunday

The birthday of the One, Holy, Catholic and Apostolic Church!

This Sunday, the 8th of June, the Catholic Church commemorates the descent of the Holy Spirit upon the apostles and other disciples of Christ. We are told in sacred scripture (Acts 2: 1-11) that this event of Pentecost empowered the followers of Jesus to throw away their fears and hesitations and courageously set out to preach the Good News to all nations.

In the church's calendar Pentecost marks the birth of the church and every year we celebrate it 50 days after the Resurrection of our Saviour on Easter Sunday. It is the church's practice that every Sunday we profess our belief in the Holy Trinity as we say...."One, Holy, Catholic and Apostolic Church".

We pray that the gift of the Holy Spirit dwells in us, our families, our school community, and our church as we journey together as pilgrims of hope on the way to the fulfilment of the kingdom.

Students of 7S celebrated a beautiful class mass with the theme of the Pentecost in the normal Thursday mass this week.

God bless. Ad Jesum per Mariam

Sr Seini Fatai sm,

Director of Religious Studies

Music and Dance Showcase

On Wednesday the 4th of June, Year 10-13 music and dance students displayed their talents and what they have been working on over the past two terms. The showcase included dances with different prompts such as childhood games and unity, and different styles ranging from hip hop to contemporary. Music performances ranged from classical to indie rock, featuring covers from bands like Fleetwood Mac, as well as original songs performed from our year 11 Rock Quest regional finalists Ne Bashka, and third place winner of the Play it Strange Junior Songwriting competition, Lucy Hassan. It was wonderful to see everyone's hard work and talents come to life at this extravaganza. Keep your eyes peeled for details about our next showcase taking place in September.

Year 12 & 13 Dance

Marist Shakespeare Club and the SGCNZ Sheilah Winn Festival

Students from the Marist Shakespeare Club performed scenes from two Shakespeare plays at Epsom Girls Grammar as part of the SGCNZ Sheilah Winn Central Festival of Shakespeare in schools in Term 1 this year.

This festival has run across schools throughout New Zealand for 33 years now and can lead to further learning opportunities via Shakespeare's texts such as the SGCNZ National Festival in Wellington and, if chosen, going to the Globe stage in London to do workshops.

Two Marist groups, comprised of juniors, pulled together, interpreted and directed two scenes from Shakespeare's plays. They performed in between other school groups from the central region. The groups did all this work within the very busy school term and extracurricular calendar of Term 1.

Wonderful photos and videos of their performances have come through as has positive and helpful

feedback from the adjudicators. The students impressed the judges with their understanding of the scenes and choice of costumes to illuminate the ideas within one of the scenes. They found the experience to be exciting, nerve wracking, fulfilling and a great learning experience.

The Marist Shakespeare club continues to meet once a week at lunchtime. Students explore scenes and will begin to prepare for next year's festival.

Overall, this time helped the girls to gain context, have additional external performance experience and gain understanding of what to expect and how to prepare for Sheilah Winn 2026!

Miss Hamilton,
Drama Teacher

Blake NZ - Virtual Reality Experience

Over the last two weeks Year 7 & 8 have had the opportunity to experience our oceans through a virtual reality journey provided by the Blake Organisation. The Year 7 classes had their opportunity on Thursday 29 May, and the Year 8 classes experienced the oceans and the treats we expose them to on Tuesday 3 June. You can read about their experiences and feedback about it below.

Jane Foster, Curriculum Leader Social Sciences

The VR experience was extraordinary. It truly felt like I was present in the real experience. The marine vision was exquisite. This was a wonderful opportunity to look at sea life more closely. Also I learned a lot of advanced facts about sea life. Overall, this was an outstanding experience. *Juanita*, 8T

This lesson was truly amazing, seeing all the beautiful ocean scenery blew my mind. Apart from looking at all of the mystical wonders of the sea, I also learnt about little things we can do to protect our ocean. A special thanks to the Blake team members that guided us through this awesome journey. *Elise Hearsey*, 8T

Today, we had some special visitors from Blake, an organisation named after Sir Peter Blake, a famous New Zealand sailor! Blake came to our school with the goal of inspiring the younger generation to learn more about marine life and the current state of New Zealand's oceans.

We learned about healthy and unhealthy marine ecosystems, the different creatures that live in our seas, as well as issues like overfishing and pollution, and how we can prevent this. The best part was that we experienced all of this through VR! It was such a cool way of learning.

I enjoyed every minute of the lesson and learned so much from it. Thank you, Blake! *Havana E*, 8T

I was very lucky to experience the product of Blake and National Geographic's VR perception. It was immensely interesting to see life underwater and the contrast between a healthy and unhealthy environment. I got to view famous NZ landmarks and the sea area nearby; it was superb. *Honey Zhu*, 8T

The Blake NZ experience was a very fun way to learn about our sea life and how we can protect it. We learnt about protected marine reserves in New Zealand. We watched videos through the VR headsets showing the sea life. We learnt about healthy and unhealthy waters and how to know if the water was healthy or suitable for fish to live in. It was a very cool experience that I would do again! *Charlotte*, 8T

On Tuesday the 3rd of June our class 8S went to the Blake VR experience. We learnt about how we can be sustainable around the ocean. Blake NZ is an organization that inspires environmental leadership to schools around Aotearoa, and they were first founded about 20 years ago after a man named Peter Blake, a sportsman and world-wide sailor, passed away.

We learned about the importance of the ocean and what we can do to help keep our beautiful ocean healthy. We really enjoyed the Blake project and now we know how we can keep our moana blue! *Willow*, 8S

On Tuesday 3rd June, when putting on the VR headsets we experienced the world of the sea. We learned how we've harmed

the environment, but also how to make it better. We shared ideas of how we can help our environment become healthier and cleaner. By not polluting the environment we can lessen the amount of waste in the water. By not overfishing we can keep the sea animal economy alive. Lastly, spreading awareness can have a big effect. It will make others realise to treat the world as you would treat a person. With kindness and respect! *Alessandra*, 8S

On Tuesday my class 8S went to see the Blake VR experience. We learned about the ocean's wildlife and how to keep it healthy and clean. We saw many different types of oceans in New Zealand. We compared them and learnt how to tell the difference between healthy seas, and unhealthy seas. The 3D effect really made me feel like I was actually swimming with all the fish and stingrays. I am very amused by my experience! *Marigold*, 8S

Lacrosse update

With a fairly new team for the season, our Lacrosse team have had a good start with some tough games. With the help of Coach Gary the girls are learning some new skills and how to play the game. Team spirits are still high and some good efforts have been shown by our girls against some competitive teams. They are looking for more new players, so if you're keen to give Lacrosse a go, come down to trainings held every Tuesday 4pm on the field.

Netball update

After three weeks of grading we are now into week two of our competitions. Our six Year 7 & 8 teams on Monday nights have been out at Windmill Rd, through all kinds of weather playing some good games and having fun.

Year 7 & 8 Kowhai playing on Tuesday nights at St Johns have had a strong start, with some solid games against tough competition.

Senior Saturday netball at St Johns with our 11 Senior teams (Year 9 - 13) is going well. Grading is finished and we are now into week two of our competition. Some steady scorelines have come from our teams as they juggled both production commitments and winter bugs.

Our Premier team posted their first win of the season in Premier 1 grade against Baradene which was exciting. They are looking forward to the game against Epsom Girls tomorrow.

We are on the lookout for more Year 10 netball players if you would like to play, please come see the sports department.

Just a few reminders for teams to keep checking your heja groups for draw updates and scorers for all games please. Keep up the awesome work teams!

Rugby update

Auckland Secondary Schools Rugby Girls 10s competition

Our Rugby 10s team started their season with a bang, winning their first four games convincingly. They have posted some crazy scorelines for a fairly new team to the game and are not looking at slowing down.

Coached by former student, Madyson Ierome-Fatu, one of our parents Greg and TIC Mrs Matai-Savelio, our girls are going from strength to strength.

They've also had former student and Auckland Blues Aupiki player Cheyenne Tuli-Fale come down to training and share some tips.

Next Monday, 9th June will see the top of the table clash for Pool B against St Marys College. Both teams have won four games and are equal on points at this stage of the competition. Come down to Cox's Bay Reserve and support your team. Kick off is 4:15pm.

Central Zone Year 7 & 8 Football

Football is one of our more popular sports at Marist, so it was inevitable our school would represent at the 2025 Central Zone Football tournament. We were extremely fortunate to have the expertise of former student and Football International player Faith Moa to coach our Year 7 & 8 teams. The blend of Faith's knowledge, our experienced players and the natural athleticism of our newbies made for a great combination. It showcased the power of collaboration and sportsmanship.

Both tournament days were jam packed with tackles, goals, great saves, skills that could pay the bills and laughs. Our Year 7's placed third! Marist came together in the best way possible and it was all about team work, fun and growing confidence.

Central West Zone Swimming Championships

A talented trio of three Marist students represented at the 2025 College Sport Central West Zone Swimming Champs at the AUT Millenium Aquatic centre on the North Shore this week. The Year 10 students were Sophia Browne, Mana Bavihal and Maia Doran.

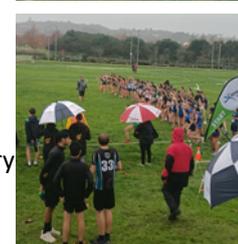

Over 30 Auckland Secondary schools were present across 24 events over three age groups. Marist represented well in freestyle, backstroke, butterfly and breaststroke. I could not be more proud of their efforts, especially considering the level of competition at the event.

Cross Country Championships

The day was anything but typical for the College Sport Cross Country Championships this year. The relentless rain poured down on the 550 participants from the start of the race to the finish line while spectators huddled under umbrella's cheering them on.

Our Marist storm chasers competing in the Junior Girls race were Isabella Snedden and Violet Ward.

The athletes ran through muddy trails, slippery slopes and puddles, all while the rain was using their eyeballs as target practice.

An unfortunate incident occurred during the race, that saw some students run in the wrong direction! This would have tested the spirit of any athlete. We were impressed with the resilience and ability of the athletes facing adversity head-on. It proved that the fiercest storm can't dampen the heart of a true runner.

Don't forget to send through some team photos to the sports department so we can feature in our newsletter and socials.

Trip to Community Recycling Centre

Last week the senior Materials Technology students visited Waiōrea Community Recycling Centre at Western Springs. They were given a tour of the facility, discovering more about how some plastic recycling gets upcycled into building materials or farm posts. Upcycling guru, Tines, showed the students how to upcycle old, shrunk, woollen jumpers into cool beanies. The upcycling proved

to be very inspirational, with the students thinking about what other items could potentially be made. Thank you to Christine Wang and her team at Waiōrea Community Recycling Centre for hosting us and for the yummy pizza lunch! *Rachel Kirkland*, Curriculum Leader Technology

Visiting the Waiōrea Community Recycling Centre was such an eye-opener! It helped me realize just how many different ways there are to be sustainable. It was cool to see how many different ways there are to dispose of your rubbish and what happens to it after you throw it away. This experience made me think about how we can all help take better care of the planet by repurposing existing items. *Taylor*

We went to visit the Waiōrea recycling plant and it was a very enlightening experience. We learnt how different materials are recycled and where the other recycling plants are located. We had the chance to make our own repurposed beanies from pre-loved sweaters celebrating the start of winter. Everyone was so welcoming and nice; I had a great time learning about environmental sustainability and preservation. We even got to visit the thrift shop on location!! Overall, a very worthwhile experience and highly recommend to anyone interested in taking on environmental issues and preservation. *Grace Mary*

I found it very interesting learning about how different materials are re-cycled in New Zealand. I enjoyed walking around the shop and looking at different items that people had re-cycled in the past. It was exciting to be able to make our own beanies out of worn out jumpers. I loved this experience and loved making the beanies! *Sophie Stunn*

The trip was a great inspiration for our upcoming internal and provided us with a good resource of information about how different products and materials can be reused. *Isabella Gola*

Drama Workshop

Two Year 11 drama students had the exciting opportunity to learn from actor and writer Anatonio Te Maioha. The students were taught Mau rākau which is a traditional Māori martial art form that focuses on the use of weapons, particularly the taiaha.

This learning supports the wonderful students who will be performing Hone Kouka's play Nga Tangata Toa in week three of term three for their NCEA, 1.1 Explore the function of theatre Aotearoa assessment. These students, as always were focused, open to learning new things and worked very well with each other and Anatonio. The students had huge smiles on their faces throughout the workshop. It was wonderful to observe their confidence grow. This learning empowered them to be able to perform these fight scenes safely and confidently.

Anatonio was an amazing, calm, respectful teacher who lit up the room with his focus and humour. We all felt privileged and lucky to have had this opportunity to learn from him and better understand the world of this powerful play and this vital and important aspect of Te Ao Māori.

Miss Hamilton, Drama Teacher

MARIST COLLEGE

Matariki Hikoi

Thursday, 19th June, 5:30am

Meet for karakia outside the front gate, Alberton Avenue, at 5:30am. Following karakia, we will hikoī together up Ōwairaka/Mount Albert (Te Ahi-kā-a-Rakataura) to have karakia, hear the story of Matariki and see the stars. We will sing a waiata on top of the maunga as the sun comes up.

Breakfast will be held in the staffroom afterwards. We hope you can join us. Please [RSVP here](#) for catering purposes.

Last chance for Samosa's

to support our Year 10 students in their journey to Hillary Outdoors in Tongariro National Park. We are fundraising to help cover the costs of this incredible 6-day outdoor education camp. For every 10 pack you buy, \$10 is donated to the camp fundraiser. Thanks for your support.

Order your samosas online by Sunday June 8th at
<https://fundraising.surti.co.nz/t/marist-college-year-10-camp-fundraiser>

Hey Year 10, Please keep going with your samosa fundraising! In all honesty, it's not looking as good as previous years, so let's get stuck in to try and fundraise. We have some prizes up for grabs for the top three students who raise the most! 1st place: \$30 tuck shop voucher, 2nd place: \$20 tuck shop voucher and 3rd place: \$10 tuck shop voucher. Get going! You have until Sunday 8th June to raise as much money as possible to win! If you have any questions, please come and see Miss Going in the PE office.

MARIST COLLEGE SchoolBridge Updates

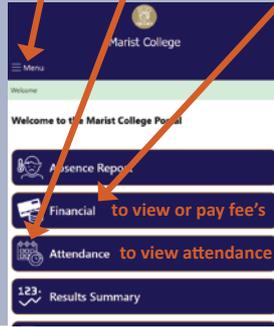

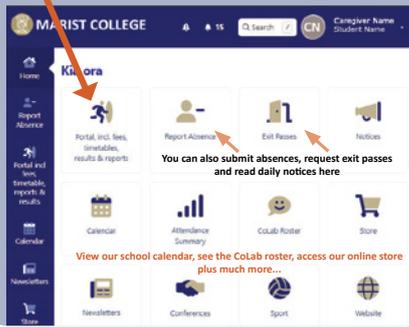

Due to security SchoolBridge has been updated.

To view or pay fee's, see attendance, results and reports you must now go to the **Portal**.

Please sign into SchoolBridge and select the **Portal icon** to access these.

The **Portal** has information that is not available on SchoolBridge.

The **Menu** has full options, but there are also quick links to pay fee's or view **Financials** and check **Attendance**

School Charges

You will have received a statement for your daughter(s), please review the statement ensuring your payment plan is sufficient.

If you wish to discuss the account, please do not hesitate to contact the Accounts Administrator, Veronica Yates by email at vyates@maristcollege.school.nz. For parents who pay per Term, Term 2 is now due for payment please.

Sports and Extra Curricular Charges: any sports or extra-curricular for Term 1 should now be paid. Please ensure any charges added to the account are paid by the required due date.

Thank you.

Careers Hub

Victoria University of Wellington Information Evening

Monday 9th June, Aotea Centre 6-8pm. Students interested in studying at Victoria University of Wellington are warmly invited to an information evening at the Aotea Centre on Monday June 9, along with their whanau. There will be presentations about some of the degrees you can study, and the opportunity to talk with university staff about courses, entry, accommodation, scholarships etc. The evening is free but they would appreciate registrations for catering purposes: [Register here](#)

NZ College of Chiropractic Open Day

Saturday 14th June. Tour the campus and find out about becoming a chiropractor. 12:30-3:00pm, [Event Info and Registration](#)

Samoa Language Week 2025

The 2025 theme for Samoa Language Week is 'Ia malu lou sã. Folau i lagimã
– A well-grounded self, is a successful self'.

"A well-crafted ocean sailing vessel, built with care and precision, ensures a safe and steady journey. When all its parts are thoughtfully constructed, the vessel remains balanced, strong and ready to face the open seas.

Similarly, people who prepare thoroughly and with intention become grounded and resilient and well-equipped to navigate life's challenges and succeed in their endeavours. No matter the challenges and hardships of life, a well-grounded person will not be easily shaken or defeated because they are firmly rooted and well-prepared".

<https://www.mpp.govt.nz/programmes-and-funding/pacific-languages/pacific-language-weeks/samoa-language-week/>

ACCKA Samoa Language Week Competition

It is always gratifying to see our Primary and Secondary tamaiti (children) get involved in these activities. Our own, Joanne Vignarajah, Year 7 who has competed in this competition in her previous Primary school, Christ the King and now continues this in her college years at Marist. She displays a strong desire to learn her Samoan language and heritage. Mälō lava!

**Donations wanted:
Stationery and Hygiene packs.**

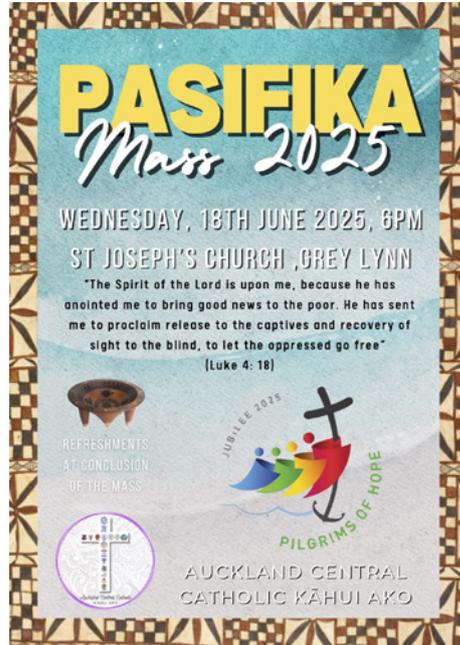

PACK A PENCIL CASE:
Donate a pencil case of stationery equipment for a learner ready to learn.

Donations end, Friday, 13th, 3pm. A massive thank-you to all our donors. Deeply appreciated! Fa'afetai tele lava.

Items will be taken to Samoa Victim Support Group and specific village schools as part of the Auckland Central Catholic Schools Kāhui Ako and Marist College trip in July 2025.

Drop off donations to a trip participant or at the Marist College front office during term time. (Before end of Term 1, 2025)

Samoa Victim Support Group provides residential care for abused women and children in Samoa. Learn more at: <https://svsg.org.ws/>
